

***Mobility Management* Announces Mobility Product Award 2019 Winners**

Dallas, Texas, July, 2019 – *Mobility Management* magazine has announced the 2019 winners of its inaugural Mobility Product Awards competition. The awards honor outstanding product and technology development by complex rehab and mobility manufacturers and service providers.

Mobility Management is part of 1105 Media’s Infrastructure Solutions Group. It is the leading brand* in the seating and wheeled mobility market and provides marketing solutions for the complex rehab technology industry. The Mobility Product Awards offer a new way for top solutions to gain recognition.

An independent panel of judges from the complex rehab and mobility industries selected the top entries in 11 categories. These winners will be recognized and awarded trophies at the International Seating Symposium (ISS), to be held March 3-6, 2020, in Vancouver, BC, Canada. The winning entries are:

Wheelchairs, power — Group 3 (multiple power option) & Group 4

Amylior Inc., Alltrack R3 Outdoor
Motion Concepts, LP, standUP Maxx - Modular Power Standing System
Quantum Rehab, Edge 3 Power Chair with iLevel

“Our Mobility Product Award 2019 winners demonstrate innovation and creative thinking, as well as a keen understanding of the always-evolving needs of complex rehab technology users,” said *Mobility Management* Executive Editor Laurie Watanabe. “Entrants were judged by experienced Assistive Technology Professionals (ATPs) and clinicians who work with a range of seating, accessibility and wheeled mobility users every day. We thank all Mobility Product Award participants and congratulate this year’s winners.”

In addition to being honored at ISS 2020, the winners will be featured in the August 2019 issue of *Mobility Management* magazine and recognized in *Mobility Management* marketing, promotions, and social media. The magazine is distributed to complex rehab technology providers, seating and mobility clinicians, mobility dealers, and rehab facilities as well as at industry events, including ISS, National Seating & Mobility’s Symposium, Numotion’s National Leadership Conference, and the VGM/U.S. Rehab Heartland Conference.*
